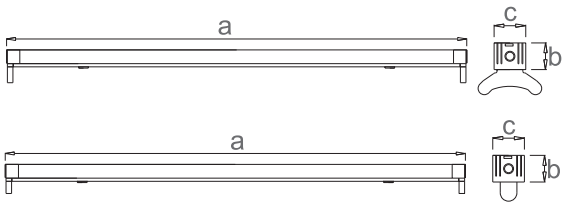
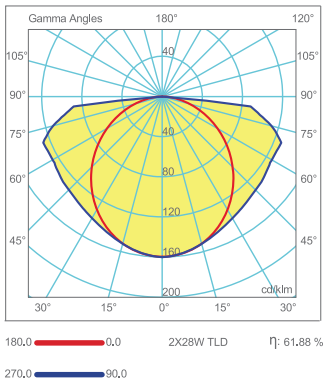
T5 FL & LED Tube
Batten Luminaires

Technical Drawing



Light Distribution Curve



Mechanical Specifications

+ With 0,50 mm thick metal frame with electrostatic powder coating. Easy installation thanks to UV reinforced polymer locking system

Optical Specifications

+ Luminaires for fluorescent lamps T16.
+ Connection for operation with electronic ballast dimmable (lamps T16).
+ Connection for emergency lighting system (lamps T16).

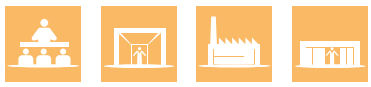
Technical & Electrical Specifications

+ Connection for operation on 220V-50/60Hz with electronic ballast (lamps T16).

Options

+ Emergency lighting unit application up to 3 hours.
+ LED tube applications

Fields of Application



Standards of Application
